

Please join us for a Sensory Production of

JOSEPH AND THE AMAZING TECHNICOLOR DREAMCOAT

on Thursday Dec. 8th at 7:30pm

About the Show

Before Andrew Lloyd Webber's JESUS CHRIST SUPERSTAR, EVITA AND PHANTOM OF THE OPERA there was JOSEPH & THE AMAZING TECHNICOLOR DREAMCOAT, still one of the top 5 most performed musicals in the world.

Joseph is father's favorite. Joseph is a gifted psychic. His eleven brothers are very, VERY JEALOUS! It's all here: favoritism, betrayal, attempted murder, fame, famine and...forgiveness. This rock show is turbo-driven family entertainment.

This sensory production will be performed in a friendly, supportive environment for an audience of families and friends of people who are diagnosed with an autism spectrum disorder, other sensitivity issues, or other disabilities. There will be slight adjustments to the production including reduction of any jarring sounds or strobe lights focused into the audience. Also, there will be quiet spaces and activity areas set up in the theatre lobby for those who need to leave their seats during the performance.

For questions on our Sensory Production please email sdicken@nearwesttheatre.org.
